

LEFT LUGGAGE FACILITE

Overview:

For those clients who wish to travel to outer islands (where certain baggage weight restrictions are in place) or those who wish to spend the day on Mahe before travelling to their accommodation on an outer island, the Left Luggage Facility is ideal for storing any excess luggage you cannot take with you.

The left luggage facility at the airport, previously handled by the Airport Police, has been transferred over to the Victoria Baggage Company. Their office is situated along the walkway leading towards the domestic terminal just as you leave the SKYCHEF restaurant.

You may contact the directory of the company, Mr Samir Khan, on +248 783 893 for further details.
